

Bolt It • Brace It • Do It!

Home Retrofit Class *Protecting Wood Framed Homes from Earthquakes*

A "Bolt it-Brace it-Do it" Home Retrofit class for homeowners is being offered through a partnership with the Homebuilders Association of Kitsap County, Kitsap County Emergency Management, Olympic Peninsula Chapter International Code Council, Building Departments of Kitsap County and Simpson Strong-Tie.

During this 1.5-hour class homeowners will learn how to:

- Conduct a home evaluation
- Navigate through the permit process
- Properly bolt and plate a home
- Work safely
- Learn about the best engineering solutions

With this information, homeowners will be able to retrofit their home themselves or be a knowledgeable client when hiring a professional contractor to provide this service.

Friday, Oct. 2nd, 3:00pm-4:30pm
Home Remodel Expo, Kitsap Sun Pavilion
(free ticket with signup)
