

Bolt It • Brace It • Do It!

Foundation Retrofit Class: *Protecting Wood Framed Homes from Earthquakes*

A “Bolt it-Brace it-Do it” Foundation Retrofit Class for homeowners is being offered through a partnership with the Kitsap Building Association, Kitsap County Emergency Management, Olympic Peninsula Chapter International Code Council, Building Departments of Kitsap County and Simpson Strong-Tie.

During this 1.5-hour class homeowners with concrete foundations will learn how to:

- **Conduct a home evaluation**
- **Navigate through the permit process**
- **Properly bolt and strengthen home**
- **Work safely**
- **Learn about the available resources for foundation retrofits**

With this information, homeowners will be able to retrofit their home themselves or be a knowledgeable client when hiring a professional contractor to provide this service.

Friday, September 30th, 3:00pm-4:30pm
Peninsula Home and Recreation Expo

Kitsap Sun Pavilion

(free ticket with signup)
