Places to stay cool around Kitsap County

Kitsap County, WA – The unusually hot weather will affect the region for the next few days can be dangerous for some residents, especially for the very young, very old, and people with certain medical conditions. If you do not have air conditioning, consider visiting a mall, movie theater or other cool public places.

Here is a list of some of the locations you can go to escape the heat this Wednesday, Thursday and Friday:

Bainbridge Island Library, 1270 Madison Ave. N
Wed: 10-8 pm, Thurs: 1-5:30 pm, Fri: 10-5:30 pm

The Arc of Kitsap & Jefferson Counties
3243 Perry Ave, Bremerton
Wed-Fri: 9-3 pm

Bremerton Library, Downtown, 612 Fifth St.
Wed: 1-8 pm, Thurs: 1-5 pm, Fri: 1-6 pm

Bremerton Library, Sylvan Way, 1301 Sylvan Way
Wed: 10-8 pm, Thurs: 1-5 pm, Fri: 1-6 pm

The Salvation Army, 832 6th St
Wed – Fri: 8-4 pm

Village Green Community Center
11212 NE State Hwy 104, Kingston
Wed: 9-8, Thurs: 9-5, Fri: 9-6

Little Boston Library, 31980 Little Boston Rd NE 98346
Wed: 1-8 pm, Thurs: 1-5 pm, Fri: 1-6 pm

Manchester Library, 8067 E Main St
Wed: 1-8 pm, Thurs: 1-5 pm, Fri: 1-5 pm

Port Orchard Library, 87 Sidney Ave
Wed: 10-8 pm, Thurs: 1-6 pm, Fri: 10-6 pm

Port Orchard City Hall, 216 Prospect St
Wed-Fri: 8-4:30 pm

Poulsbo City Hall, 200 Moe St NE
Wed: 8-8 pm, Thurs: 8-4:30 pm

Poulsbo Library, 700 NE Lincoln Rd
Wed: 10-8 pm, Thurs: 1-5 pm, Fri: 10-6 pm

Silverdale Library, 3450 NW Carlton St
Wed: 10-8 pm, Thurs: 1-5 pm, Fri: 10-6 pm

The Kitsap Mall, 10315 Silverdale Way NW
Wed-Fri: 10-9 pm

Silverdale United Methodist Church
Wed-Fri: 12-9 pm

Remember to check up on relatives and neighbors during the heat wave. Heart problems, stroke, and kidney failure are the most common health problems on hot days. Anyone who will be outside for extended periods of time should drink plenty of water, seek shade whenever possible, use sunscreen with a high SPF, and be alert to signs of heat exhaustion and heat stroke.

Heat exhaustion: heavy sweating; weakness; cold, pale, and clammy skin; weak pulse; fainting; vomiting.

Heat stroke: high body temperature (103° F or higher); hot, dry skin; rapid and strong pulse; possible unconsciousness. Heat stroke is a medical emergency. **Call 9-1-1.**
