

BAINBRIDGE ISLAND FIRE DEPARTMENT

HIRING ANNOUNCEMENT—FIRE PREVENTION TECHNICIAN

WWW.BIFD.ORG

OPEN UNTIL FILLED. FIRST APPLICATION REVIEW JUNE 13, 2022

Immediate Opening for Fire Prevention Technician!

Work in Beautiful Bainbridge Island

Bainbridge Island is located in the Puget Sound, just a short ferry ride west of Seattle. It is the second largest city in Kitsap County with a population of just over 24,000 people spread across 28 square miles.

Bainbridge Island School District ranks 3rd in the entire State of Washington. There are also numerous recreation opportunities with over 53 miles of shoreline, over 1,500 acres of parks and open space with dozens of miles of trails for hiking, mountain biking and horseback riding. Amenities such as the Aquatics Center, Bloedel Reserve, Bainbridge Island Museum of Art, and the Bainbridge Island Japanese-American Exclusion Memorial provide many opportunities for residents and visitors to enjoy.

The Bainbridge Island Fire Department

The Bainbridge Island Fire Department (BIFD) is a combination department that was originally founded in 1942. BIFD is staffed by 41 paid, uniformed staff; 25 volunteers; and 7 administrative personnel.

BIFD operates out of three fire stations. The headquarters fire station, Station 21, was expanded and completely rebuilt in 2018. The south station, Station 22, was completely rebuilt in 2019. The north station, Station 23, was remodeled and expanded in 2018.

The Department responds to over 3,000 calls for service each year. Approximately 70% of those calls are for emergency medical responses.

The Fire Marshals Office is responsible for fire code enforcement through inspections and plans review. It is also responsible for origin and cause investigations for fires that occur in the jurisdiction. Bainbridge Island has over 1000 occupancies subject to annual inspection

Excellent Benefits, Flexible Schedule, Numerous Opportunities

Salary range is \$63,511 to \$79,389 per year plus premiums, depending on experience and education. BIFD offers an excellent benefits package including retirement, and medical and dental insurance. Generous HRA plan contributions are also provided. Several premiums are available including longevity for time with BIFD and education if you possess a college degree. Starting leave balances are negotiable.

The Fire Prevention Technician works a flexible 40-hour work week, Monday through Thursday 0700-1700 hrs.

The Fire Prevention Technician must possess ICC Fire Inspector 2 within one year of hire and obtain IAAI Fire Investigation Technician (or greater) credential within two years of hire.

Join the BIFD Team!
